# DATA SHEET
EVOKO LISO ROOM MANAGER
ROOM BOOKING SYSTEM

Evoko Liso Room Manager is a self-hosted device for easy interaction and room booking. This is the heart of our self hosting suite, a room manager that brings all the features you need in a self hosted room booking system. Placed outside any meeting room it is clear and visible who has booked the room and for how long.
SELF HOSTED

With this solution you will have full control over your self-hosted server installation and devices.

ALL INCLUDED

Pay a one-time cost and receive product support and free updates.
SEE ROOM STATUS AT A GLANCE

A room booking system should be more than a list of features. We believe it must be easy to use and that it should look sublime in any office. Evoko Liso Room Manager rocks our trademark intuitive light signals to guide you to the right room and clearly see the room status from a distance.

ARCHITECTS & ENGINEERS SPECIFICATION

The meeting room display shall be designed to work with the Evoko room booking system. The meeting room display shall include a 8-inch capacitive touch display with anti-fingersprint treatment. The product shall include a 3-way indirect light aura to make room status visible from a distance. The meeting room display shall support power over internet (PoE) or 12V AC/DC power adapter. The meeting room display shall include a proximity sensor to unfold detailed information as you approach the display. The meeting room display shall include support for RFID cards. The meeting room display shall be a self hosted system. The meeting room display shall include mounting options for both standard walls and glass walls. The meeting room display shall provide 23 different user interface languages. The meeting room display shall be CE marked and compliant with the RoHS directive. Warranty shall be three years. The meeting room display shall be the Evoko Liso Room Manager.

## A NEW LEVEL OF INTUITIVE USER INTERFACE

Evoko Liso Room Manager has built in proximity sensor that unfolds a new layer of information as you approach the screen to show you everything you need to know. Use the touch screen to quickly find a room for your spontaneous meetings. Small icons represent the room's equipment so you can pick the rooms that serve your needs. You can also report broken or missing meeting equipment directly on the screen.

DISTANT VIEW
